## US Senate 2026

Your Voice. Your Senator. Our Wyoming. Our Country.

### Skovgard for Senate: Taking a Stand for Wyoming, Taking a Stand for Our Children

#### About Jimmy Skovgard

- Fifth-generation immigrant whose great-grandfather homesteaded near Basin, Wyoming in 1909. Attended primary schools in Greybull-Basin.
- Raised four sons with my wife, Beverly, now we live in Casper.
- Served 12 years in the Wyoming Army National Guard.
- A builder, an environmental technician, and a small business owner.
- I'm not a politician. I'm someone who still believes a handshake ought to mean something.

**Our Mission** What I see today isn't leadership. It's a political class that thrives on outrage and division. While we argue, our children's legacy is quietly being sold off. I'm running for U.S. Senate because Wyoming deserves better.

#### Our Core Platforms

- **Term Limits That Make Sense** Three 2-year terms in the House. Two 6-year terms in the Senate. That's 18 years max. We weren't meant to have permanent politicians. I've signed that pledge.
- **Tools That Give You Power** We've had the technology for years. What we've lacked is the will to use it for the people. That's why I built this-is-us.org—a permanent tool for representation, not a campaign gimmick.

**Here's How You Can Help** This is a 100% grassroots campaign. We need your help to get the word out.

**1. Register as a Republican** You must be registered as a Republican by **May 15, 2026**, to vote in the primary on August 18, 2026. That's where this race will be decided.

**2. Volunteer to Help** If you can knock a few doors, stuff envelopes, or make a few calls, I need your help. We have the voter files. Now we need you to help us have the conversations.

We don't have to agree on everything to row in the same direction. Wyoming families know how to fix fences, balance budgets, and mind the water. We can do the same with our politics. Let's turn down the noise, stand on principle, and get back to work — together.

**Sincerely,**

*Jimmy Skovgard*
