Re: Skovgard et al. v. Secretary of State of Wyoming - Civil Action No. 011573

Dear Judge:

I respectfully submit the enclosed Affidavit in support of the Court's consideration of voter participation concerns described in this case. I offer this Affidavit to share my experience as a Wyoming voter and to help the Court understand how current primary procedures affect my ability to participate meaningfully in a publicly funded election.

I request that my Affidavit be accepted into the record for the above matter.

Respectfully submitted,

AFFIDAVIT OF

STATE OF WYOMING

COUNTY OF

I,

being first duly sworn, depose and state as follows:

1. I am over eighteen years of age, competent to testify, and make this affidavit on personal knowledge.
2. I reside at the address shown below in the County identified above. I am a legally registered voter in Wyoming.

Street Address:

City:

State:

ZIP:

3. Wyoming's statewide primary is scheduled for August 18, 2026. I intend to vote in that election.
 4. I intend to remain unaffiliated or maintain my current party registration and do not wish to change my registration months in advance of the primary in order to vote.
 5. I intend to vote for one candidate for each office regardless of party in the primary election, including any preferred candidate for United States Senate and candidates of other parties for other offices.
 6. Under Wyoming's current system, a voter may participate in only one party's primary ballot and must be affiliated with that party by an advance deadline approximately ninety-six days before the primary. In Wyoming the primary is a publicly funded election.
 7. Unless the court grants relief, I will be prevented from voting for my preferred candidates for each office in the August 18, 2026 primary because I will not affiliate with a party by the advance deadline or do not wish to be limited to a single party ballot.
 8. This restriction burdens my ability to participate meaningfully in a publicly funded election and forces me to choose between my political beliefs and the right to vote for preferred candidates at the decisive stage of the election.
 9. I submit this affidavit to support relief that would allow every legally registered Wyoming voter to vote for one candidate for each office regardless of party in the publicly funded primary, without compelled party affiliation months in advance.
- FURTHER AFFIANT SAYETH NAUGHT.
